The challenge in this writ petition is against the assessment under the Kerala Building Tax Act. Essentially, the dispute is whether the area of the building is 933.20 sq. mts. as found out by the authority or it is 472,51 sq. mts as contended by the petitioner. This is a matter which a fact finding authority has to appreciate and find out. This can be done by the fact finding authority and the statute provided an appellate remedy available to the petitioner. Petitioner has not made out an extra ordinary situation bypassing the statutory remedies.

The writ petition fails and it is accordingly dismissed. Needless to say that if the petitioner files an appeal within one week from today, the same shall be entertained and disposed of.

ANTONY DOMINIC, JUDGE
